

**BDT 42,000.00** ✓ In Stock

## FEATURES :

- Model: FaceDeep 3 IRT
- User Capacity: 6,000
- Smart LED: Support
- Humidity: 0% to 95%
- Power Input: DC12V 2A

01711-766062, 01711-461346

## Anviz FaceDeep 3 IRT Specification:

|                           |                                        |
|---------------------------|----------------------------------------|
| Model                     | FaceDeep 3 IRT                         |
| User                      | 6,000                                  |
| Card                      | 6,000                                  |
| Log                       | 100,000                                |
| Detection Distance        | 10~20mm( 0.39~0.79" )                  |
| Temperature Range         | 23°C~46°C ( 73°F~114°F )               |
| Temperature Accuracy*     | ±0.3°C( 0.54°F )                       |
| Identification Mode       | Face, Card, ID+Password                |
| Face Recognition Distance | 0.5 ~ 1.5m ( 19.69 ~ 59.06" )          |
| Face Recognition Speed    | <0.3 S                                 |
| Group, Time Zone          | 16 Access Groups, 32 Time Zone         |
| CPU                       | Dual 1.0 GHz                           |
| Display                   | 5" TFT Touch Screen Resolution 640*480 |
| Dimensions(W x H x D)     | 14.6*16.5*3.4 cm 5.75*6.50*1.34"       |
| Power Input               | DC 12V 2A                              |
