

**BDT 7,500.00** ✓ In Stock

## FEATURES :

- Model: D0BPA
- Image Sensor: 1/2.9" CMOS, Resolution: 2MP
- Two-Way Audio Supported
- Weatherproof Design
- Human Detection, Night Vision

01711-766062, 01711-461346

## ZKTeco D0BPA Specification:

|                            |                                        |
|----------------------------|----------------------------------------|
| Modelo                     | D0BPA                                  |
| Image Sensor               | 1/2.9" CMOS                            |
| Resolution                 | 2MP                                    |
| Focal Length               | 1.7mm                                  |
| Field of View              | 140 (diagonal)                         |
| Video Compression Standard | H.265                                  |
| Night Vision               | 3-5m                                   |
| Frame Rate                 | 25f/s                                  |
| Audio Compression          | G.711                                  |
| Pick-up Distance           | 5m                                     |
| Wireless Protocol          | IEEE 802.11b/g/n (2.4GHz Wi-Fi)        |
| Data Security              | End-to-end encryption WEP / WPA / WPA2 |
| Charging Voltage / Current | DC5V/1A                                |
| Battery Type               | 4500mAh                                |
| RF433 Distance             | 20m (no obstacle)                      |
| Dimensions                 | 134*56.3*39mm (W*L*D)                  |
| Power Consumption          | 2W Watts (Max.)                        |
| Net Weight                 | 189g                                   |
| Gross Weight               | 432g (including Chime)                 |
| Working Temperature        | -20~50°C                               |
| Working Humidity           | <90%                                   |
